KEMP HARRISON RESIDENT NEWS

FEBRUARY ISSUE 2011

**"January cold and desolate;
February dripping wet;
March wind ranges;
April changes;
Birds sing in tune
To flowers of May,
And sunny June
Brings longest day;
In scorched July
The storm-clouds fly,
Lightning-torn;
August bears corn,
September fruit;
In rough October
Earth must disrobe her;
Stars fall and shoot
In keen November;
And night is long
And cold is strong
In bleak December."**

New faces will be circulating throughout Kemp Harrison homes. For the month of February, we will be switching staff to give our tenants the opportunity to meet all of the wonderful staff at Warner Robins Housing Authority. Please take this opportunity to

get to know the management staff at Kemp Harrison Homes.

Please remember, you must call or stop by the main office to report work orders that need to be completed. If you contact the office, we will get maintenance out to handle the work order.

All residents are welcome to attend the monthly board meetings. Please remember the meetings are ran according to the agenda. If you would like to speak at the board meetings, you must be present for the Public Comment session.

"Valentine's Day is most closely associated with the mutual exchange of love notes in the form of "valentines." Modern Valentine symbols include the heart-shaped outline and the figure of the winged Cupid. Since the 19th Century, handwritten notes have largely given way to mass-produced greeting cards. The mid-nineteenth century Valentine's Day trade was a harbinger of further commercialized holidays in the United States to follow.-The U.S. Greeting Card Association estimates that approximately one billion valentines are sent each year worldwide, making the day the second largest card-sending holiday of the year behind Christmas. The association estimates that women purchase approximately 85 percent of all valentines."
